1,500 City Employees Pay 50 Cents a Week Into Milk Fund.

(Special to The Evening World.)
WATERBURY, Conn., Feb. 16.—Mayor Guilfoile has asked every city employee to contribute 50 cents out of his or her salary each week from now on to the Babies' Milk Fund. Every city worker, from the highest salaried office holders to the humblest street cleaner, contributed to-day, and as there are 1,500 persons on the city payroll the milk fund will receive a healthy boost every week. Under-nourished children in the public schools receive the milk several times a day.

Weather Prophet Predicted Snowstorm a Month Ago.

(Special to The Evening World.)
MIDDLEBURY, Conn., Feb. 16.—The fame of James Tyler as a weather prophet was boosted sky-high again to-day when "the beautiful" fell to a depth of six inches. On Sunday, Jan. 15, Prophet Tyler wrote a letter to the Waterbury newspapers warning the public that there would be a snowstorm of considerable size between Feb. 14 and 16. Skeptics now admit that they may have underrated the prophet's ability.

"and yet both are the same age"

Comb Sage Tea in Faded or Gray Hair

GRAY hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray, and looks streaked, just a few applications of Sage Tea and Sulphur enhance its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wet's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two its natural color is restored, and it becomes thick, glossy and lustrous, and you appear years younger.

Say Ben-Gay when in pain

Only by remembering to say Ben-Gay, will you be sure to get the original Baume Bengue, and not one of its flattering flock of imitators.

BAUME BENGUE

(ANALGESIQUE) is unequalled in strength as a stimulator of local circulation. It drives away the pain of neuralgia, lumbago, sciatica, etc., by its penetrating and lasting glow. Keep a tube handy. At all druggists.

NAMM'S FORTY-SIXTH YEAR

BROOKLYN, N. Y.—NEWS FOR FRIDAY, FEB. 17, 1922.

In 1921 Brooklyn Built Four Show Rooms

"Good Morning,
Mr. Zip, Zip, Zip,
With Your Hair Cut Just
As Short As Mine!"

is a song that recalls fond memories to the men who wore the khaki and blue during the Great Days. Many were the times it helped to keep their courage up and their fears down!

Nowadays, in the Namm Store, little boys in khaki and blue, fancy they hear the same song—only it has been changed a bit to "Good Morning, Mr. Snip, Snip, Snip."

For Mr. Snip is the famous barber who enters the children while he cuts their hair and Mother goes shopping.

And Mr. Snip's young friends are legion!
